

## **PREMIS:**

# **PREservation Metadata: Implementation Strategies**

**International workinggroup, sponsored by OCLC and RLG**

### **Goal:**

- /// Define a core set of preservation metadata elements**
- /// Identify and evaluate implementation of preservation metadata**

**Started in June 2003 and running until the fall of 2004**

### **Expected results:**

- /// List and description of core elements**
- /// Report on the results of an international survey**
- /// Recommendations for implementation**
